Unit 6 Money **81**

Reading

Read the text. Match sentences A–G with gaps 1–5 in the text. There are two extra sentences.

My first business

There are quite a lot of stories about young entrepreneurs these days - people who have started their own businesses while they are still at school and have gone on to make large amounts of money. ¹ **E** I think I was about five years old when I decided to try to make some money. ² **C** I had seen it in a toy shop the month before, but my parents could not afford it because it was very expensive. So, I decided to save all of my pocket money until I had enough to buy it myself. ³ **A** To get the doll more quickly, I came up with an idea. My mum grew some pretty flowers in her garden. I decided to take the flowers onto the street, held them out and said, 'Fifty pence a bunch,' to the people who passed by. One lady stopped and gave me fifty pence. ⁴ **B** After half an hour I sold out all of the flowers and earned some money for my doll. I was really proud then.

Now, I have my own business after many years of working hard. How challenging life as an entrepreneur has been! ⁵ **G** However, it is wonderful to see my business grow well and make profits.

- A However, it was taking a very long time!
- B I think she felt sorry for me.
- C I was saving up for a big doll.
- D If I had the same courage now, maybe I would be rich.
- E My career also started early.
- F Of course, it's a lot harder than that.
- G I have to decide on everything from making money to hiring people.

Speaking

Work in groups. Look at the photo and discuss the following questions.

1 How do you think the lives of the people in the photo are different?

Example:

The old man on the left is a homeless.

The young man on the right is a rich person.

2 If you had 100,000,000 VND, how could you use it to help homeless people?

Example:

I would spend 50 million VND to buy food, milk, instant noodles and so on. The rest is to give each person 500k VND.

Writing

Write an opinion essay (120–150 words) on the following topic.

Topic:

Money does not grow on trees.

Introduction:

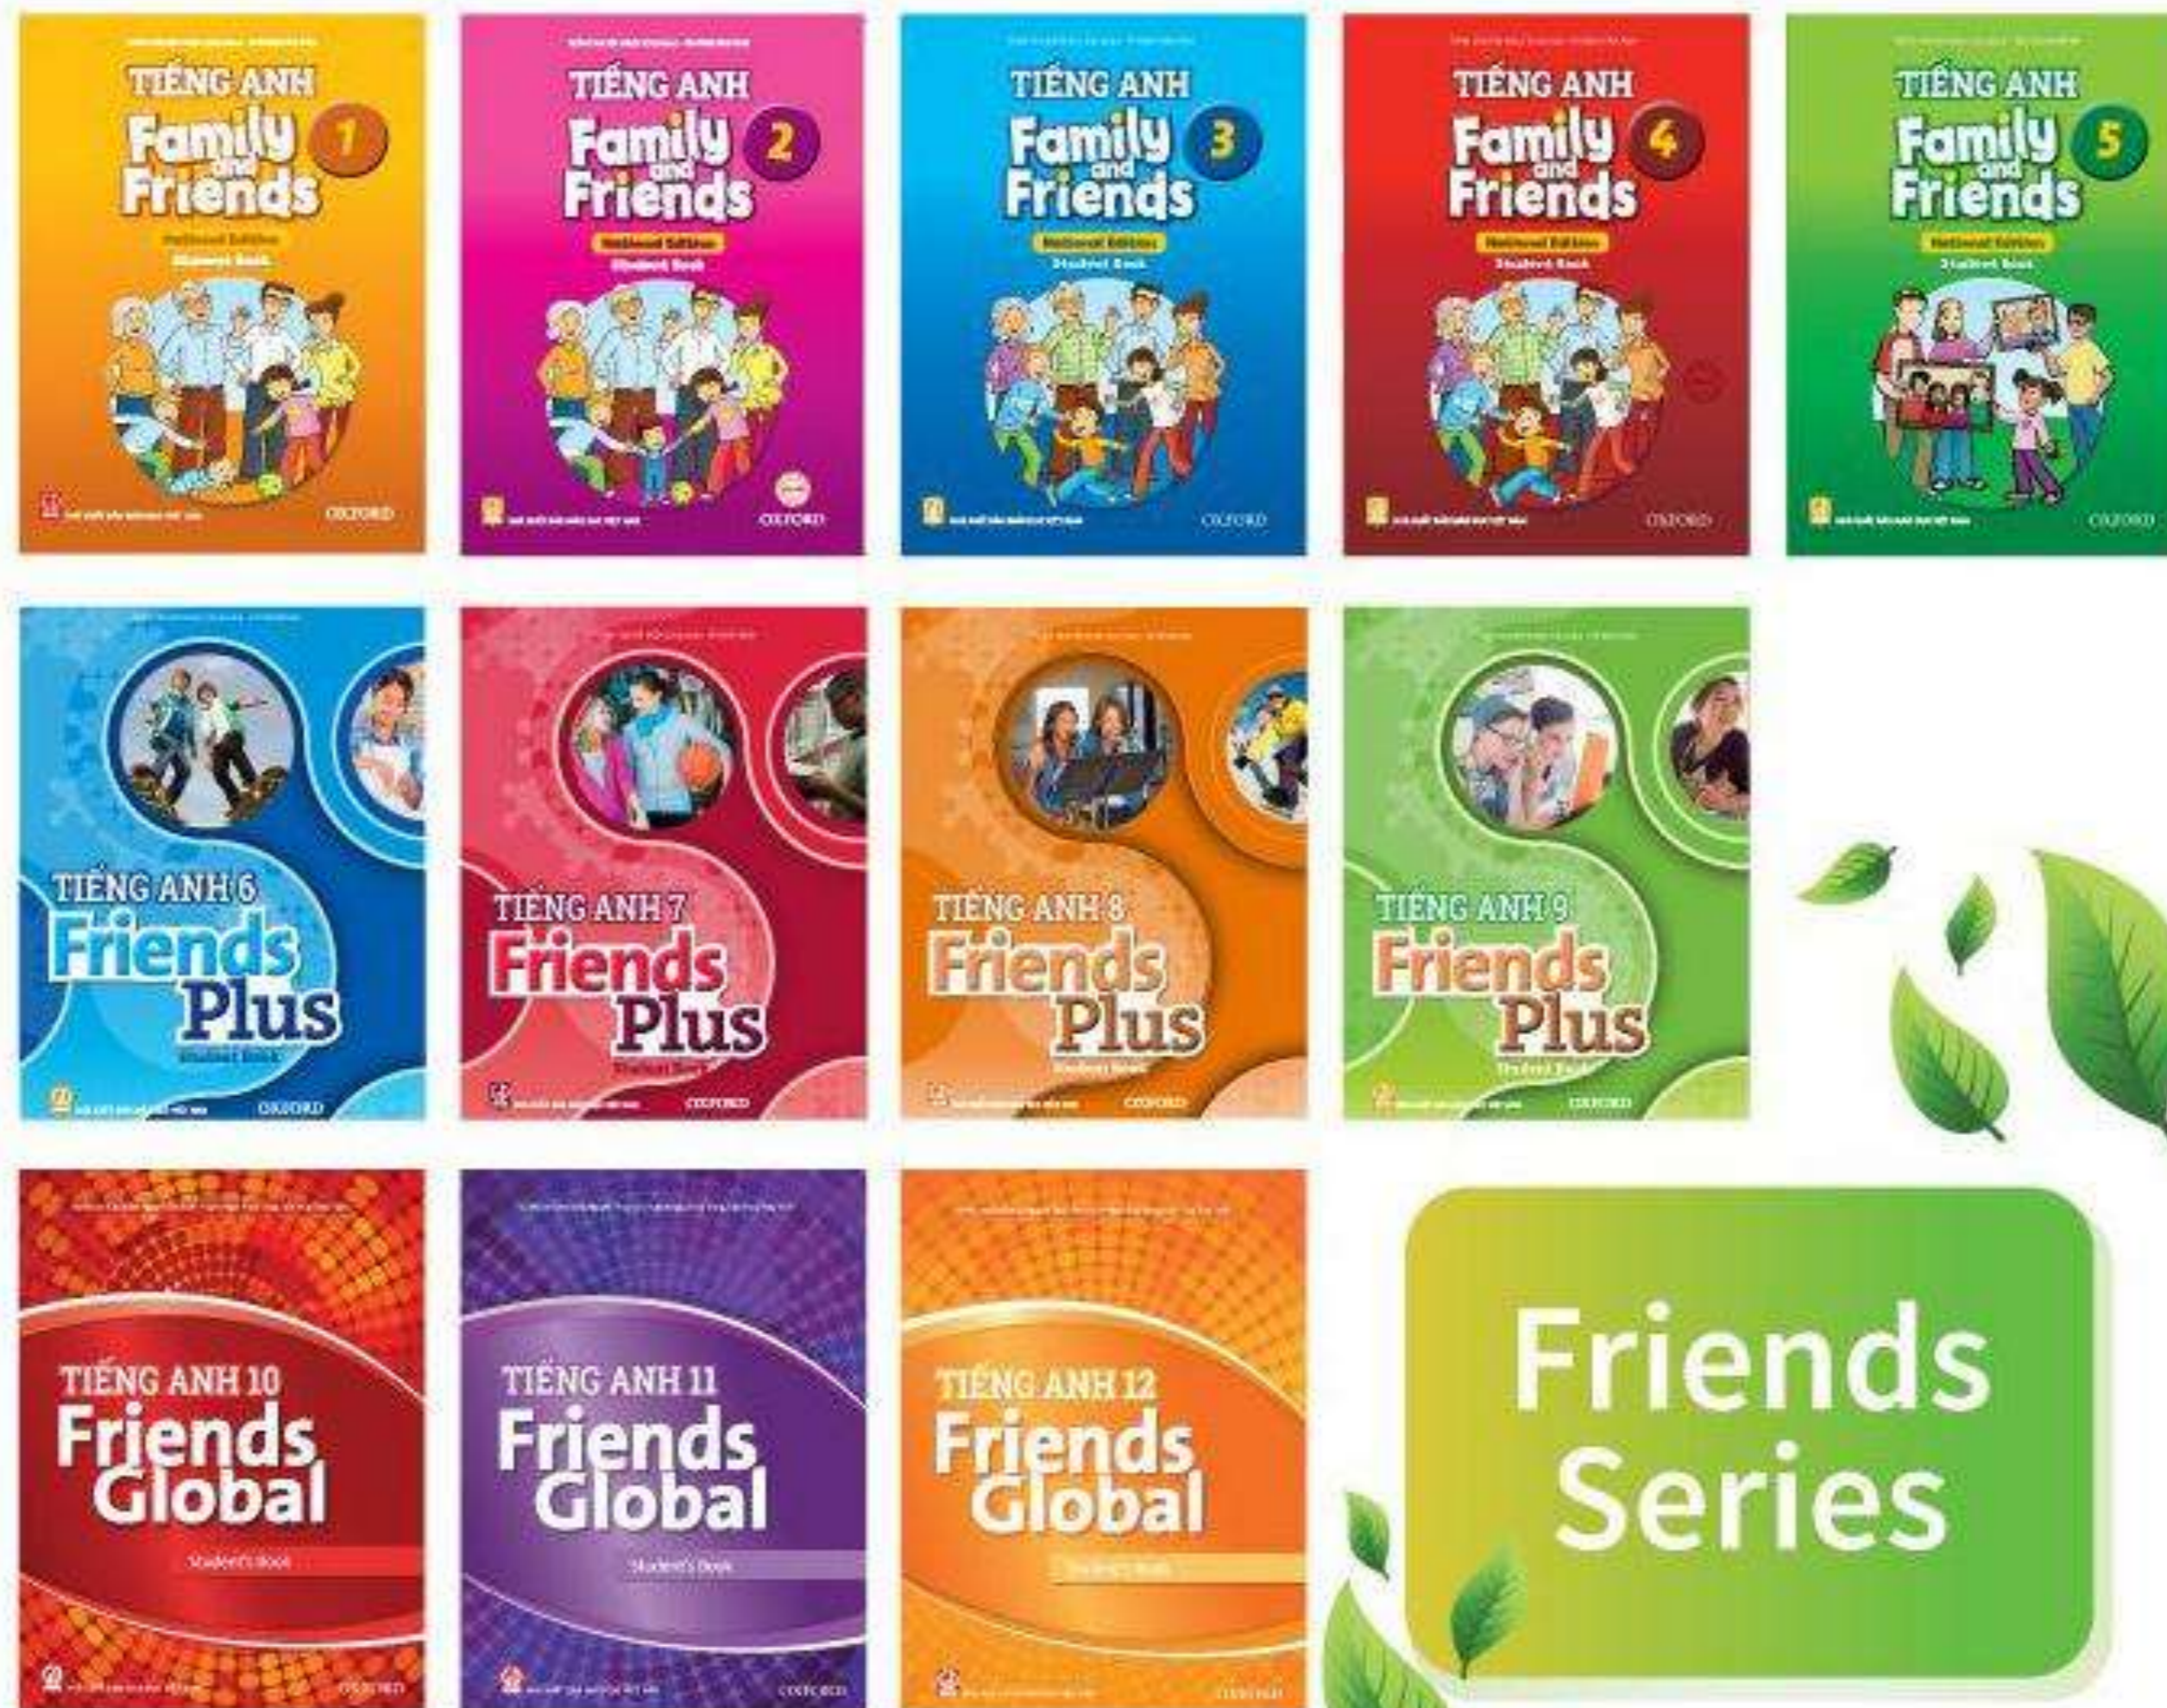

- One of the important thing that people must have to survive is money.
- The idiom “Money does not grow on trees” reminds us to use money wisely as we don’t have a lot of it.

Body paragraph:

- Everybody has to work hard to have the money so money must be spent on what is necessary.
- We can spend money on studying new knowledge, help the poor, and to buy our basic necessities
- The world is on the risk of recession in 2023.
- People should manage their cost of living wisely to save up for the worst.

Conclusion:

- To sum up, the idiom emphasizes the importance of how we make money and how we should spend it in our life.
